

# Les Sons Pratique 4

## in & on

**Directions:** We have hit the next level! First, in the "word" practice, we are NOT sounding out, simply saying the "word".

**Sentences:** You will see that I have added sentences. These are all words your child has learned as sight words or can sound out to blend into a word.

Thanks for your help! This WILL get easier!

Non! J'ai six oranges.

J'ai lu la fin de mon livre.

Mon ami a quatre bonbons violette.
